

VCFD Crew Transport

The crew transport carries the Handcrew, their tools and equipment. The 16-member Handcrew works on brush fires and other emergencies where requested, as well as construction and maintenance projects. The crew transport has seating for all members and is designed for both on-road and off-road use.

Staffing: A 16-person crew staffs the crew transport.

Radio designation:

Crew transport + "crew number".
ie: Crew transport 1-2.
