

VCFD celebrates promotions

More than 40 members of the Ventura County Fire Department received promotions on Thursday, October 12, 2017. A ceremony recognizing the promotions was held at the Padre Serra Center in Camarillo with family and friends.

“Each year, Ventura County Fire hosts a promotional ceremony to recognize the accomplishments of our dedicated men and women,” said Fire Chief Mark Lorenzen. “They continue to provide exceptional public service year after year and I don’t think we could ever recognize them enough.”
